

ASRAYA™

AUTHENTICALLY LIVING

PESONA HUTAN ASRAYA

LIVING HARMONY IN NATURE IS THE AUTHENTICALLY LIVING

Āśraya (Sanskrit: आश्रय)

*variously means :
base, source, assistance, shelter, protection, refuge,
dependence, having recourse to or depending on.*

*In terms of Hindu philosophy, the living entity or Jiva is āśraya,
and Brahman or the Supreme Being, the Godhead, is viśaya,
the supreme objective, the goal of life Bhagavata Purana
(VII.x.6).*

ASRAYA™
AUTHENTICALLY LIVING

Welcome to Casa Asraya - where exceptional living meets contemporary design in the realm of premier real estate and property ventures. We take pride in crafting a world where excellence resides in every intricate detail of our properties. Our commitment to innovation and quality shines through our avant-garde designs and the meticulously curated high-grade materials we employ.

Beyond redefining real estate, we're venturing into new horizons. Introducing an extension of our vision, we're delighted to unveil our upcoming ventures - a captivating hotel business and a sprawling forestry park adorned with an array of delectable Food & Beverage options. Envision a stay that seamlessly blends opulence and refinement, mirroring the same sophistication and elegance that define our real estate marvels.

Casa Asraya stands as a testament to a holistic lifestyle experience, where architectural brilliance converges with unparalleled hospitality. Join us in this journey of luxury, innovation, and limitless possibilities.

OUR ARCHITECT

CLEAR VIEW OF THE CONTEXT AND SURROUNDINGS IN ORDER

atelier riri

Novriansyah Yakub (Riri)

Atelier Riri, founded by Novriansyah Yakub (Riri) in Jakarta, is a versatile design and architecture firm that has evolved since Riri's architectural debut in 2005. Their portfolio spans architecture, interior, landscape, and product design, all emphasizing functionality alongside aesthetics. By deeply engaging with clients and prioritizing user needs, Atelier Riri creates contemporary solutions that seamlessly connect life, environment, and sustainability, resulting in architectural works that are not just buildings but also responsive to their context.

*LIVING HARMONY IN NATURE
IS THE AUTHENTICALLY LIVING*

A photograph of a modern building's courtyard. A large, leafy tree stands in the center, casting shadows on the building and the paved ground. The building has a dark, textured facade with large glass windows. In the foreground, there are various green plants, including a large fern and some broad-leafed plants. A concrete bench is visible on the right side of the courtyard. The overall atmosphere is bright and modern.
